Notice to Consultants
On-Call Terminal Design and Construction Management Services***

Washington State Department of Transportation (WSDOT) solicits Statements of Qualifications (SOQ) from consultants interested in providing On-Call Terminal Design and Construction Management Services for Washington State Ferries (WSF.) The approximate dollar value of the consultant agreement will be \$2,000,000.00. WSDOT may award up to four (4) On-Call Agreements, which will be two (2) years in duration. These agreements may be extended for up to two additional years, and may be increased up to 100% of the original value.

Project Description

These agreements are for services in support of the Terminal Engineering's component of the WSF Capital Construction Program. Design work may include design engineering, architectural services, program management services, including financial / economic modeling for capital investments, value engineering, technical reviews of other professional's work, construction management, project controls, and project management services, and may include specialties such as civil/site, structural, electrical, mechanical/hydraulic, transportation/traffic, surveying and marine/costal engineering, hydrodynamic modeling and analysis, and architecture landscape architecture, and urban design. Work performed through these agreements may include full responsibility for all aspects of a project or assistance to in-house design teams on portions of projects. Work may also include assignment of staff to work with WSF teams in WSF offices, or alternatively WSF staff may be assigned to work in consultant offices, as may be necessary for effective completion of the work.

Evaluation Criteria

Pursuant to state and federal regulations, a qualifications-based selection process will be used to select a consultant for each of these projects. The following information and criteria will be used to evaluate and rank responses:

1. Qualifications/Expertise of Firms on Team;
2. Qualifications of Proposed Project Manager(s);
3. Key Team Members Qualifications (Prime Consultant and Sub-Consultants);
4. Firm's Project Management System (Prime Consultant Only); and
5. References/Past Performances (Prime Consultant Only.)

The link to the definitions and point value for each of the proposed criteria may be found on the first page of this advertisement web site.

NOTE: It is imperative that the consultant reviews the definitions of the scoring criteria. We have included requirements and/or limitations for the information that is being requested. All scoring criteria will be rated on a scale of 0 (Low) to 20 (High.)

Submittals

Consultants are invited to submit their Statement of Qualifications at their own cost. WSDOT assumes no obligation of any kind for expenses incurred by any respondent to this solicitation. The submittal is limited to a total maximum number of twenty-five (25) sheets submitted only on single sided (single sided meaning one side only of a single sheet of paper) typed 8.5" x 11" paper (if charts and/or graphs are utilized text must be a readable size font), and with type size no smaller than 12 point.
